## Fee

The fee for Impact Academy is \$4,995 and includes all materials, learning sessions, and at least four one-on-one coaching sessions. Due to the financial impact of COVID-19, Deans for Impact aims to provide financial assistance to all who request it. Full or partial support is available in order to ensure that the cost of the fellowship does not preclude leaders from attending.

Deans for Impact is committed to increasing the diversity of the fellowship cohort and drawing on that diversity to improve the richness of the learning experience for fellows. We are particularly interested in increasing the racial diversity of fellows and increasing the number of leaders of Minority-Serving Institutions within the cohort.
