Putting Michigan First: Priorities for FY23

Education: Putting Students First

Strategic investments that put students first and make strong investments in state education

Road, Bridge, and Infrastructure Improvement

Improves all facets of Michigan's Infrastructure with once in a lifetime investment dollars

Workforce and Economic Development

Provides strategic investments in a wide range of economic projects and workforce programs to get Michigan back on track from the pandemic

Healthy Families

Improves access to care for families with health and behavioral health needs

Safe Communities

Creates a full-circle investment plan to keep our communities safe and our IT infrastructure secure

Putting Michigan Students First

How We're Getting Kids Back on Track

Strategic investments that put students first and make strong investments in state education. Investments focus on:

Historic, Equitable Funding

- Ongoing investments ensure kids have the staff and support they need to thrive
- Investments connect resources with the students who need them most

Talent In Schools

- Excellent educators drive student learning
- Investments target staffing shortages with focus on teacher recruitment and retention

Mental Health and Safe Schools

- Kids that are stressed and anxious struggle to learn
- Investments focus on trained, supportive adults and safe schools for every kid

Historic, Equitable Funding

Classroom Support

- Last year, Governor Whitmer and the legislature worked together to close the funding gap between schools
- This budget will invest \$988m to continue building a weighted funding model that includes a base per-pupil amount plus additional funding for students with more costly educational needs
- Increases base per-pupil funding to districts up to \$9,135 (a 5 percent increase, \$435 per pupil), \$580m

Per-Pupil Funding

Historic, Equitable Funding

Classroom Support

- Michigan serves a diverse population of students, with some children needing additional assistance or resources to help them thrive in an educational environment:
 - Economically disadvantaged students, \$222m – Fully funds an additional 11.5 percent of the base per-pupil amount per student, fully funding this categorical for all students in every district, increasing total to \$746.5m
 - Special education students, \$150m - Provides an additional 5 percentage point reimbursement of costs for special education students. This brings the state reimbursement of costs from 31 percent to 36 percent
 - Career and Technical Education (CTE), \$30.8m - Includes an increase in state reimbursed costs, additional funding for equipment purchases, and additional funding for millage equalization payments
 - English Language Learners, \$1.3m - 5 percent increase to funding to support ELL students
 - Intermediate School District Operations, \$3.6m – 5 percent increase for operational funding to ISDs
 - Rural and Isolated Districts, \$421,000 – Increase added funding for small, rural, and isolated districts by 5 percent. Increases appropriation to \$8.8m

Historic, Equitable Funding

Early Childhood

- Early Childhood Interventions
 - Increase funding by 50 percent for Early On program which supports early identification and intervention services for younger children, \$7.1m
 - Expand home visitation and early childhood collaboratives effort, \$9.5m
- Great State Readiness Program (GSRP) provides free preschool for income-eligible 4-year-olds
 - Slot Allocation, \$21m to increase the full-day allocation from \$8,700 to \$9,135 per student, a 5 percent increase
 - Home-Based GSRP Pilot, \$5m to pilot 2-year home-based GSRP model operated by licensed family and group home childcare providers
 - GSRP Startup Grants, \$30m to provide startup grants to GSRP programs (\$15m) as well as funding to expand existing classrooms (\$15m)

Educator Retention, \$1.6b

- Investments make sure our educators have the supports they need and the recognition they deserve for the work they do. Funding for these programs is recommended for appropriation in fiscal year 2022 and will be spent over the next 3 to 5 years:
 - Retention bonuses, \$1.5b
 - Retention bonuses will support all Pre-K through 12 educators who stay in their school for three years:
 - Years 1 and 2: \$2,000 bonus for every educator, administrator, paraprofessional and noninstructional staff
 - Year 3: \$3,000 for teachers and certified professionals; Year 4: \$4,000 for teachers and certified professionals
 - Teacher onboarding, induction, and mentoring, \$50m FY22, \$50m FY23
 - Teachers receive consistent, high-quality mentoring and support with the support of Universities. The experience would be free of charge to students and earns them graduate credits
 - Provide payments to districts to offset cost of allowing senior teachers fewer hours teaching and more hours mentoring
 - Regional innovation grants, \$75m
 - Provides grants to local and regional partnerships that identify a clear community need and offer ambitious plans with a focus on recruitment and retention efforts

Educator Recruitment, \$600m

- Michigan Future Educator Fellowship, \$250m (\$150m one-time, \$100m ongoing)
 - Creates a competitive scholarship available to eligible first-time degree seekers and career changers to lower the cost of becoming a K-12 teacher
 - Provides funding for potentially 12,500 new educators
- School leaders, \$50m
 - Create a second track of the Michigan Future Educator Fellowship for aspiring school leaders and mental health professionals
- Stipends for student teachers, \$150m
 - Provides a flat stipend for student teachers, with funding prioritized toward Pell-eligible students that meet criteria to offset a portion of costs of paying tuition while student teaching
- Grow your own programs, \$150m
 - Provides grants to local districts and regional partnerships that offer plans to recruit, train, and retain teachers from within their own communities

Mental Health and Safe Schools

Mental Health, \$361m

- Statewide Expansion of the Transforming Research into Action to Improve the Lives of Students (TRAILS) program, \$150m
 - Builds capacity in school buildings for teachers and school leaders to help students manage stress, build healthy relationships, and manage their own mental health, funding is over three years
- Universal mental health screenings, \$25m
 - Collaborates with universities to develop and deploy a Michigan-survey in schools which will collect, analyze, and report on mental health data
- School-based mental health professionals, \$120m
 - Provides funding for additional mental health professionals and counselors in schools, could allow for up to 425 staff over the three years
- Strengthen school-based mental & physical health, \$50m ongoing
 - Increases existing appropriations for mental health grants from \$37.8m to \$87.8m
- Expand school-based health clinics, \$11m
 - Open 40 new school-based health clinics and serve 20,000 more kids ages 5-21
 - Expand specialized service for children with severe mental health needs, \$5m

Mental Health and Safe Schools

School Safety

- Strengthen school-based mental and physical health, \$15m
 - Create model that will expand services for youth threatening violence. Identify and implement cross-sector approaches to prevent mass violence through partnership with schools, public safety, mental health professionals, and communities
- School safety grants, \$50m
 - Expands allowable uses to include personnel (including trained school resource officers) and training for new and existing staff

Additional Education Investments

- Infrastructure Modernization Fund, \$1b deposit and \$170m for grants in FY23
- Detroit literacy payments, \$94.4m
- Before and after school programs, \$50m (\$25m one-time, \$25m ongoing)
 - These programs help students with unfinished learning needs, ensure a safe place outside of school hours, provide the extracurricular activities that foster academic success, and accelerate academic recovery

Investment in Higher Education

- Universities
 - Operations
 - \$76.3m ongoing, \$76.3m one-time, 5 percent
 - University per-student funding floor, \$12.7m
 - Investment will establish floor up to \$4,500 over the course of four years to ensure that state resources are allocated more equitably on a per-student basis
 - Year one will see a \$12.7m investment, and raise the floor to over \$3,500
- Community Colleges
 - Operations
 - \$16.2m ongoing, \$16.2m one-time, 5 percent
- Infrastructure, Technology, Equipment, and Maintenance (ITEM) funding, \$200m (FY22)
 - Assist community colleges and universities with improving existing facilities, infrastructure, and technology
 - \$58.5m Community Colleges and \$141.5 Universities

Legislative Updates

Reciprocity

Senate Bills 861 & 942

Senator Broom has introduced a bill, in partnership with MDE, to make it easier for teachers with out-of-state certification to become certified in Michigan.

Senator McCann has introduced, in partnership with MDE, a similar bill to address out-of-state licensure.

Dyslexia

House Bills
5934-5937

Senate Bills
380-383

The Senate bills were reported out of committee and are heading to the Senate floor.

The House bills were recently introduced and have not yet been scheduled for a committee hearing.

Package includes prescreening, establishment of an advisory committee, changes to teacher certification, changes to teacher preparation program approval.

Substitute Teaching by Retirees

SB 726

Would allow for substitute teaching for retirees without reducing benefits after 4 months instead of 12.

Educator Evaluation

SB 969

Would suspend the requirement for educator evaluation for teachers for the 2021-22 academic year.

Has not yet been scheduled for a committee hearing.

Opinion:
I'm Michigan's
Teacher of the
Year. My
colleagues
need
legislative
relief.

Both State Superintendent Dr. Michael Rice and Governor Gretchen Whitmer have called on the legislature to include educator recruitment and retention initiatives in both a Spring supplemental and the Fall budget.

Spring has arrived yet appropriations bills have not yet been passed.
