Treasurer's Report:

Membership

Membership

A. Regular members are representatives of state approved teacher preparation programs at four-year institutions of higher education.

1. Each institution may have as many members as desired.
2. Regular members have full voting privileges.

Membership- continued

B. Associate members are representatives of institutions and organizations with a demonstrated interest in teacher preparation.

1. An institution or organization interested in associate membership must submit a written application stating the rationale for inclusion in DARTEP.
2. A vote to approve an application will be held at the DARTEP meeting following the submission of the application. A majority of regular members present at the meeting is required for approval.
3. Associate members are non-voting members.

DARTEP Membership

Questions:

Should DARTEP consider membership from teacher preparation programs in our state that are NOT four year institutions? Specifically, should DARTEP collaborate with alternative route programs?

Please discuss this in your Job-Alike sessions today, and include thoughts in your submitted notes.

Treasurer's Report:

Membership

ListServ

1. The primary means of communication among members is through the DARTEP listserv, housed on Eastern Michigan University's (EMU) server and facilitated by the person designated by EMU.
2. Participation in the DARTEP listserv is open. Faculty and staff from teacher preparation programs, regardless of membership status with DARTEP, and DARTEP associate members are welcome to join.
